2. Pastor suggested we look into a calling feature to congregants to remind them about programs.

4. There were 193 hits on Sunday and 125 on Monday for the Palm Sunday Service online.

**LEN**

1. Our public Facebook Page had about 110 hits for the week.
2. The sound crew did a great job Sunday.
3. Len recommends that documents to the congregation be sent PDF.

**RICK**

1. He, Brenda, and Lee will be able to feed about 100 people on Saturday's MOW.
2. The Police and Fire Departments we are feeding are quite grateful. Rick will be adding the Caswell Beach force next week.
3. Rick is trying to see what he can do with the golf tournament and Literacy Council.

ROD

1. Big thanks to Rick for all he is doing with the feeding programs.
  2. Should get the word out on our parking lot services to attract more visitors.  
Later, Lee suggested we look into the large electronic sign that is on Rte 211 in the Bolivia area. Generations seems to be using it.
  3. Let us set up a challenge to the congregation to raise \$30,000 to help alleviate food problems in the County as this crisis continues and ultimately ends. At the same time we can and should see about the needs of these groups:
    - a. New Hope Clinic
    - b. Matthew's Ministry
    - c. SOIICF Food Pantry
    - d. Hope Harbor
- Their needs will quite probably involve food and more.

VICKI

1. Waiting to communicate with Doug about the Telemedicine program
2. Drop Box for donations worked out fine on Sunday.
3. Health issues within the congregation are being well-handled.

3. He will be part of a virtual meeting this week with the United Way and how best to work on hunger issues.

ROBIN

1. 79 have joined the Private Facebook Group.
2. Women's Bible Study will try the Zoom approach.
3. The Women of Faith are exploring the Zoom approach
