FOR I WAS HUNGRY

Then commenced a discussion on distribution of For I Was Hungry Funds. The group agrees not to wait but to start distribution of money now.

With some discussion, it was decided to send \$2000 each to New Hope Clinic, Hope Harbor and Matthew's Ministry.

Over the next week, we will investigate further ways we can help by using the Fund to its best effect and with the understanding that this crisis will take a while.

Dave will prepare a note for the Newsletter that we are putting the money to work.

PASTOR NICK

1. Will begin a Wednesday 11 AM Bible Study based on the Gospels.
2. Will be continuing the virtual services.
