

SAINT PETER LUTHERAN CHURCH

ZOOM MEETING OF TASK FORCE

26 MARCH 2020

ATTENDING: Robin Johnson, Chair Pastor Nick Len Trizinsky
 Tom Propst Lee Dixon Rick Jennings Rod Mitton
 Vicki Carlson Dave Goudy

Robin opened the meeting at 130 PM.

Pastor Nick offered a prayer.

There will be two services on Sunday, March 29. The 830 Service will be taped for broadcast on the website. The 1100 will be an outdoor service.

LEN: 1. 237 hits on the video from last week.

2. reclaimed the Facebook page.

3. suggests we get Pastor Nick a Zoom Pro License for \$120/year. There will be a vote to do this. Zoom appears to be the best to use for meetings and groups.

Newsletters are going out twice a week.

VICKI:

1. Gave review of the Task Force Report from the perspective of the Shepherd Groups. Response has been quite positive thus far.
2. Doug Morgart has gotten himself insured for telemedicine. The policy was \$500. We should work to reimburse.
3. The phone numbers of Urgent Care Covid19 testing are 910-454-4732 (Clinic) and 910-454-4726.

TOM:

1. Use Time and Talent to help our ministries have more people to help.
2. Wants to see the March numbers before any particular appeal.

ROD:

1. Should we consider a CV19 tab in the Give+ aspect of Simply Giving?
2. Should we suspend discretionary spending until the CV19 crisis has passed?
3. If Sunday goes well, might we not consider adding a Mid-Week Service?
4. Long-term – Should we ask people to consider donations from their stimulus monies.

Hymns will be in the Newsletter to help with Sunday.

RICK:

1. How can we get the public to be aware of our online services?
2. MOW volunteers have been very positive about helping with the next MOW prep. However, the issue of deliveries leave us stumped for now. We need to explore options, maybe even checking with the County to see how best to cover this.

Lee offered to help in any way he can.

DAVE:

1. Suggested he could contact Donna Phelps to see if we can be of help with the homeless she is working with.
2. Dave will talk with Bill Hogue about any Food Pantry needs.

Robin is interested in putting together bags of game books and the like for kids. We need to explore the logistics of that.

Rick has told Kiwanis that we are closed to outside groups at this point.

I know I missed a few things. Sorry for that, but this is the gist of the meeting.

The plan is for us to all dial in at 1130 on Thursday, April 2.

Respectfully submitted,

Dave Goudy
