# SPLC Teens

The youth group at Saint Peter is an active, joyous bunch of teens who put in the time to serve as well as learn, and then enjoy their well-earned fun when the work is over. Here they are at a church-sponsored camping trip, July 2023.

# Setting the Stage for Success

Both middle school and high school kids are key players in our Vacation Bible School program. Here they are helping to prime the materials for an awesome stage setting.
