Serving the Lord by preparing for worship

What we do:

- Set up and clean up for communion for both services on Sundays, funerals, and weddings.
- Purchase supplies for communion and special services such as baptisms.
- Launder linens.
- Maintain the baptismal font.
- Assist with serving communion as necessary.
- Assist with the decoration of the sanctuary for Church holidays – Lent, Holy Week and Advent.
- Manage the weekly flowers and candles in the sanctuary.
- Design, create, and display the banners and paraments on the chancel. Write the banner descriptions.
- Keep lay assistant robes in proper condition.

What we need:

- Members to assist in the above duties. The time commitment is generally 45 minutes, six to eight times a year.
- Currently, we especially need members to clean up following the late service on Sundays.
