

Ministry Spotlight

"Your word is a lamp to my feet and a light for my path " Psalm 119:105

Christian Education

To know Christ and to make Him known.

What we do:

- Responsible for the staffing and implementation of all children's Sunday School classes.
- Be ready for the implementation of Youth groups when the need arises.
- Be cognizant of all Adult Bible classes, which studies are being presented, and by whom.
- Oversee library – its activities, lending, culling, and ordering needed materials.
- Maintain electrical equipment needed for Forum presentations.
- Maintain Sunday sermon CDs for the sick and shut-ins.
- Set up and maintain remote book/periodical displays.
- Implement and oversee fundraisers for the library, and functions like our fall festival as a catalyst for learning about the work of our Church and all church related ministries.

What we need:

- Members to work as Sunday School teachers. Perhaps a team-teaching pair who can work in tandem or to "spell" one another's teaching.
- We always welcome new FORUM presenters. If you are interested in a topic of interest, chances are we are too!
- Library helpers to help keep our books neat and to help with donations. Be a part of a group of people who genuinely enjoy working with books and with each other.
