Food Pantry

Serving the Lord by ministering to those in need with food.

What we do:

- As part of the Southport-Oak Island Church Fellowship, the Pantry serves families in Southport, Oak Island and Boiling Spring Lakes with food on a monthly basis.
- In 2012, the Pantry spent \$90,000 supplying food valued at over \$730,000.
- We serve 500+ families representing 1800-2000 people on a monthly basis.
- We operate a 2400 square foot facility which is open to families two mornings and one evening each week.

What we need:

- Donations of time from volunteers to help clients, pick up from supermarkets, and help organize the facility.
- Donations of food.
- Donations of cash. This is the most useful because in some cases we can purchase almost 6 pounds of food per dollar.
