

Ministry Spotlight

"Your word is a lamp to my feet and a light for my path" Psalm 119:105

Handbell Choir Thanks You

What we're doing:

- The members of the Saint Peter Handbell Choir are pleased to announce that your generosity has made it possible to reach our fund-raising goal of \$15,000. Saint Peter will have its own three-octave handbells with new support equipment. In fact, we surpassed that amount, which has allowed us to also purchase a three-octave set of hand chimes.
- Our goal is to debut the Saint Peter Handbells on Reformation Sunday, October 29, 2017 as part of the service and at a concert that is planned later in the afternoon.

Why we do it:

- Our Handbell Choir praises God and inspires the congregation in a unique and beautiful way.
- Bell choir members enjoy using their talents to learn complex arrangements and share them with the congregation.

What we need you to do:

- If you made a donation, we need to verify your information. Beginning Sunday, May 7, 2017 and at each service throughout the Sundays in May, a member of the Handbell Choir will be in the narthex to meet with those who have contributed to the Handbell Fund Pledge Drive. We will ask you to verify the name with correct spelling of the person whose name is to be engraved on the handle of the handbell. You will also be asked to verify the designation, "In Memory of" or "In Honor of". Once all names have been verified, we'll be able to place the order for our bells. The Saint Peter Handbell Choir is grateful for your generosity and the speed with which we met our goal. Praise God, from whom all blessings flow!
