

Property Committee

Saint Peter Lutheran Church

In our history,
we've done
some big
projects, like
the way we all
pitched in to
build the
labyrinth.

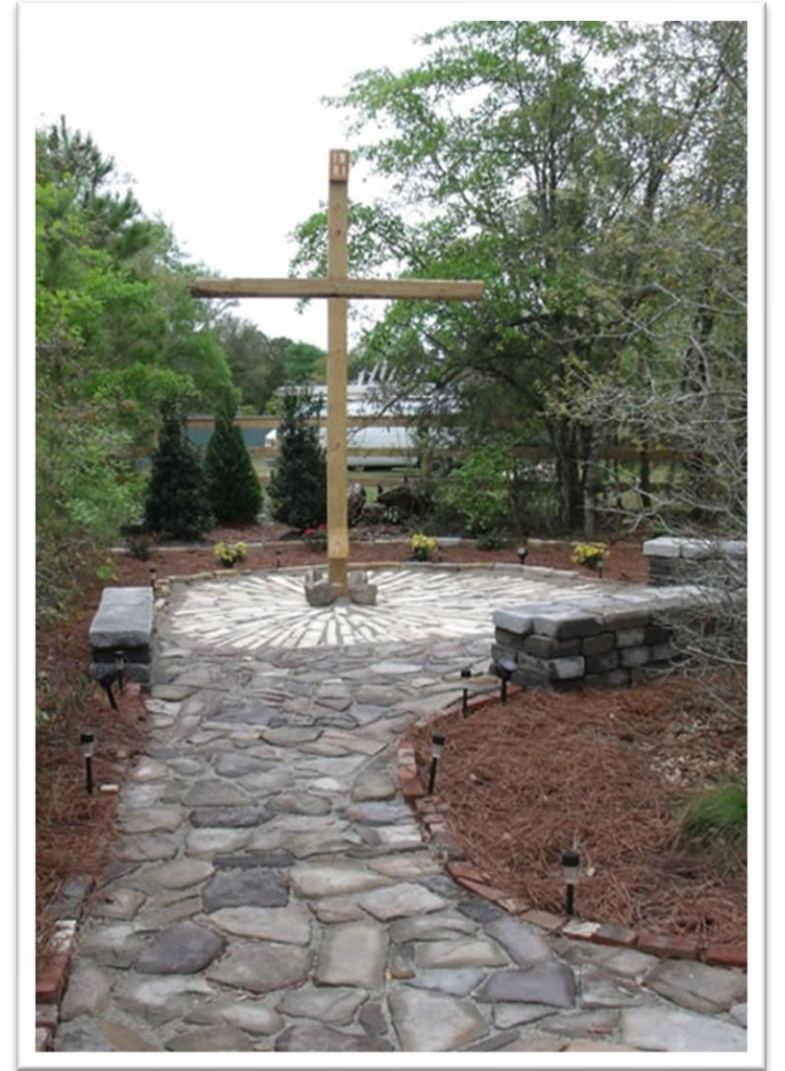

Starting the labyrinth –
everybody pitched in to help!

The finished labyrinth ready
for meditative journeys.

And the path
to the cross
that continues
to inspire us.

Today we
continue our
projects, like
this new bench
installation
near the
columbarium.

It's no small job, keeping up with all of the fixtures on church property.

Not to
mention
everything
inside our
buildings.

Needs

- Volunteers
- Donated materials
- Donated power tools
- Willing hands
